

FareGos

Home Education Group

Contacts: tutorials@faregos.org exams@faregos.org t: 01329-550-630

Welcome to our temporary website. We hope the following information will answer many of your questions.

About us

We are FareGos Home Education Group (Exams & Tuition) CIC; a group set up by home educators on a not for profit basis. Our tutorials and exams are held at Titchfield Community Centre, near Fareham in Hampshire.

Tutorials

If you would like any information about our tutorials please email us (see top of page).

Exams

We are a registered exam centre and offer A level, AS level, GCSE and IGCSE exams with CAIE, Edexcel, AQA and OCR who schedule their exams over 3 exam series explained below. We also run Functional Skills exams throughout the year for OCR English levels 1 & 2 and Edexcel maths levels 1 & 2.

Exam series

January series

This series is for a limited number of Edexcel IGCSE exams subjects only. The subjects include maths, English language, English literature, biology, chemistry, human biology, physics, double science and economics and we offer all these exams at our centre.

*The booking form is released early June and **our** deadline for entries is mid October (the actual date will be included on the booking form).*

Summer series

The summer series runs throughout May and June and includes a huge variety of exams from all of the exam boards: we have to restrict the exams we can offer in order to work within our resources. The exams we offer are included in the table below. Please be careful to refer to the table to be certain that the exam specification you are studying is an exam we can offer. Note that on some occasions CAIE schedule exam sittings during our half term or on UK bank holidays in which case we may not be able offer them however we do not know these final dates until early November.

*The booking form is released early-mid November and **our** deadline for entries is mid January (the actual date will be included on the booking form).*

November series

Despite the name, the exams in this series run throughout October and November for CAIE and we offer a restricted number of those exams based on demand. A list of the exams we offer are included in the table below.

In this series we also sit exams that are known as 'resits' that can only be taken by students who are aged 16 years or older on 31 August of the exam year. *We release our November booking form mid June; our deadline for entries is mid October (actual dates are included on the booking form).*

Exams we offer

Please scroll to the end of this document to see the exams that we offer.

Exam Dates

When you book an exam with us we process your entry we will provide you with a Statement of Entry including the exam dates. In the meantime you can access timetables via the exam board websites.

Exam Fees

The following fees applied to exams taken in 2019. We expect the Summer 2020 exams to be the same though there may a small increase should the exam board's fees increase.

Students attending FareGos tutorials receive a discount for all exam entries

A supplement of £15 applies to mature/non home educated candidates unless otherwise stated

CAIE exams

IGCSE with 2 papers	£150
IGCSE with 3 papers	£170
